

NOW HIRING

WILDFIRE MITIGATION COORDINATOR

LEAD WILDFIRE RESILIENCE ON THE QUIET SIDE OF THE TETONS

\$97,433-\$102,269 DOE

FULL BENEFITS · PERSI RETIREMENT

WHY TETON VALLEY?

Teton Valley is nestled at the base of the iconic Grand Teton Mountain Range — a place where natural beauty, outdoor adventure, and a strong sense of community come together.

Residents enjoy world-class skiing, mountain biking, hiking, fishing, hunting, and access to Yellowstone and Grand Teton National Parks.

We are a community that values conservation, preparedness, and responsible stewardship of our forests, wildlife, and open spaces.

POSITION HIGHLIGHTS

- Executive leadership position shaping wildfire policy and mitigation strategies
- Lead county-wide wildfire mitigation and community risk reduction initiatives
- Manage seasonal fuels crew program
- Coordinate with federal, state, local agencies and community partners
- Grant development and management
- Work alongside a dedicated team protecting lives, property, and natural resources

ABOUT TETON COUNTY FIRE RESCUE

- Approx. 1,300 annual emergency responses
- Advanced Life Support (ALS) ambulance service
- Dynamic wildland fire program
- Three fire stations serving Teton County
- Strong regional partnerships and mutual aid
- Progressive leadership and supportive board of commissioners

MINIMUM QUALIFICATIONS

REQUIRED

- 8 years of wildland fire experience
- 3 years of supervisory experience
- NWCG Task Force Leader or Strike Team Leader
- NWCG Incident Commander Type 4
- Strong leadership, communication, and interagency coordination skills

PREFERRED

- NWCG Incident Commander Type 3
- NWCG Fire Behavior Analyst (FBAN)
- NWCG Planning Section Chief (PSC)
- NWCG Structure Protection Specialist (SPS)
- NFPA Community Wildfire Mitigation Specialist
- National Registry EMT certification

THE IDEAL CANDIDATE

We seek a collaborative leader who balances operational wildland fire experience with long-term community mitigation planning — comfortable working with agency partners, elected officials, homeowners, fuels crews, and fire service personnel to reduce wildfire risk throughout Teton County.
